To every thing there is a season, and a time to every purpose under the heaven:

*A time to be born; and a time to die;
a time to plant, and a time to pluck up
that which is planted;*

A time to kill, and a time to heal; a time to break down, and a time to build up;

*A time to weep, and a time to laugh;
a time to mourn, and a time to dance;*

A time to cast away stones, and a time to gather stones together; a time to embrace, and a time to refrain from embracing;

A time to get, and a time to lose; a time to keep, and a time to cast away;

A time to rend, and a time to sew; a time to keep silence, and a time to speak

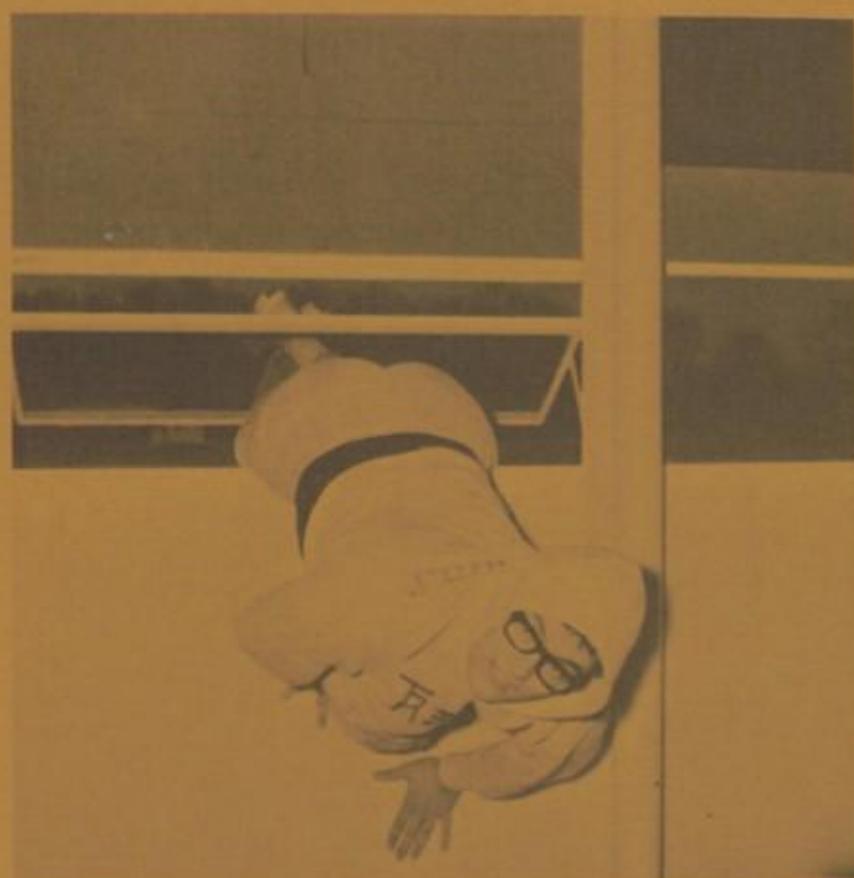

A time to love, and a time to hate; a time of war, and a time of peace.

-Ecclesiastes 3

The hours and minutes spent with friends are the best remembered. We found that friends came in different forms: teacher and non-teacher, introvert and extrovert. We also learned that to find a friend you must first be one—and being a friend is time best spent.

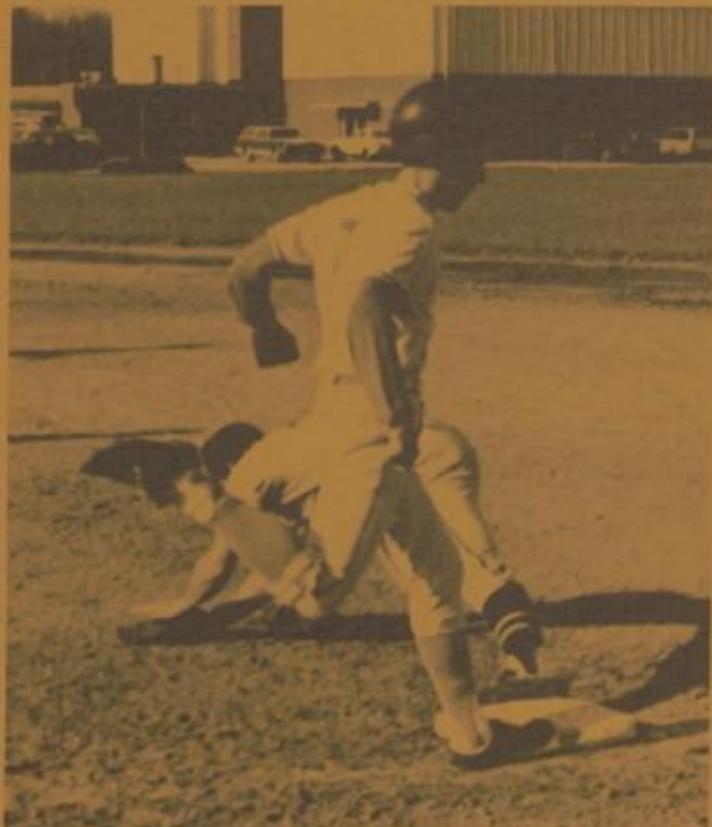

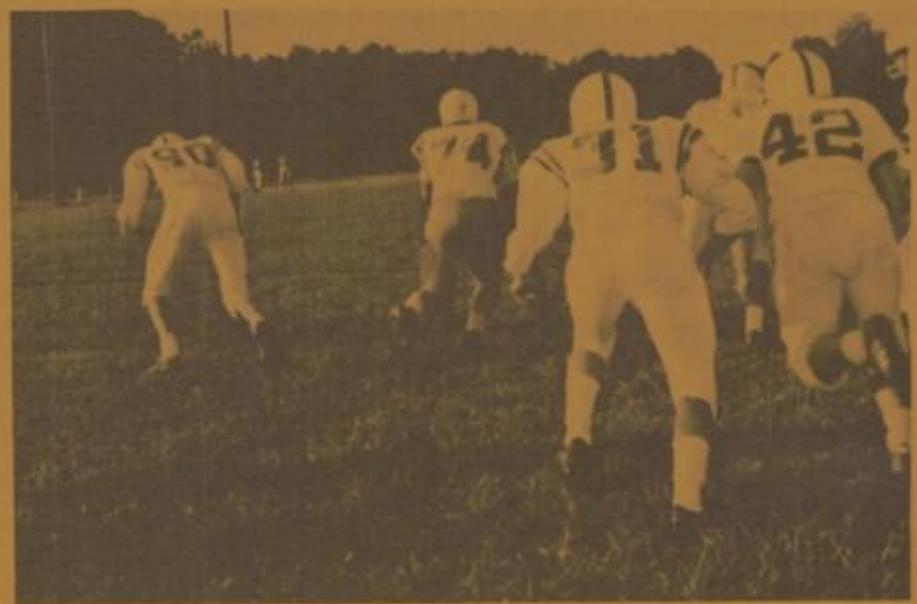

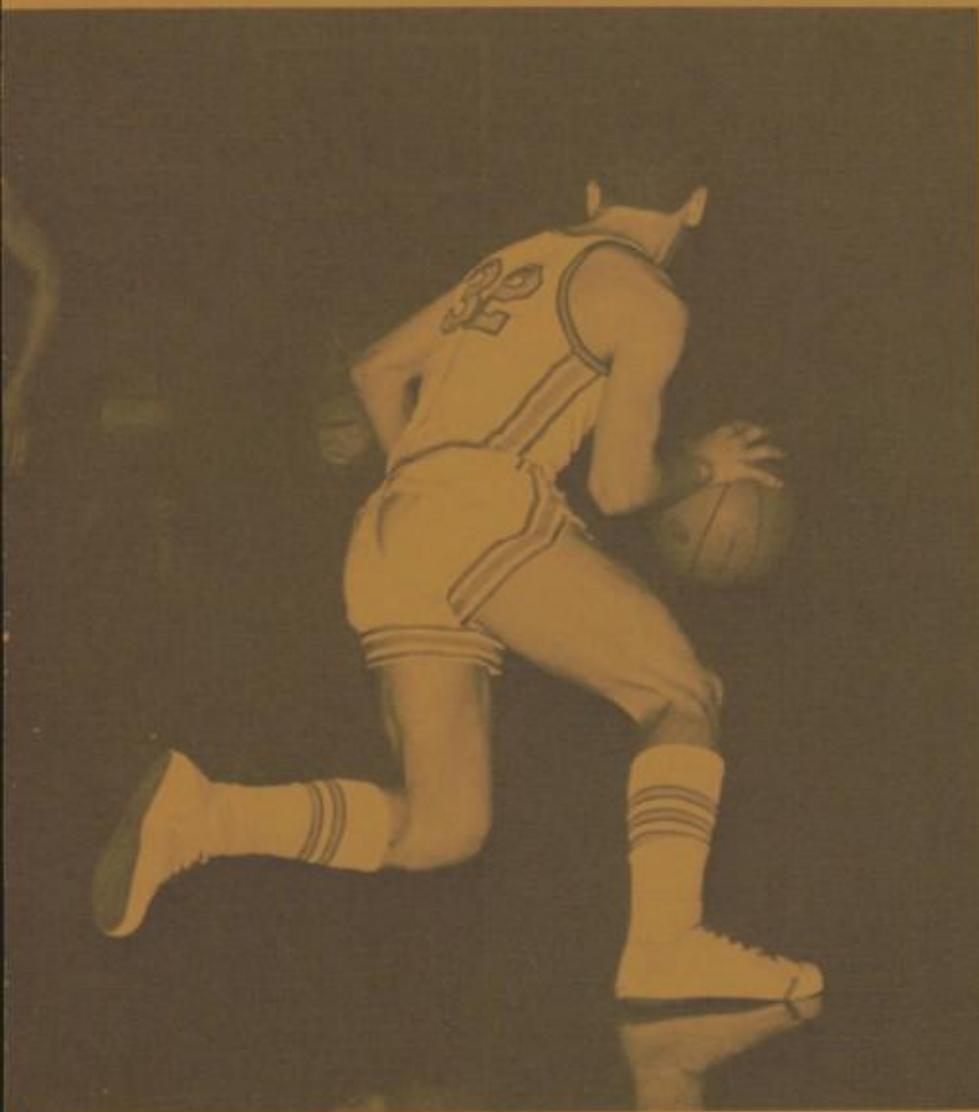

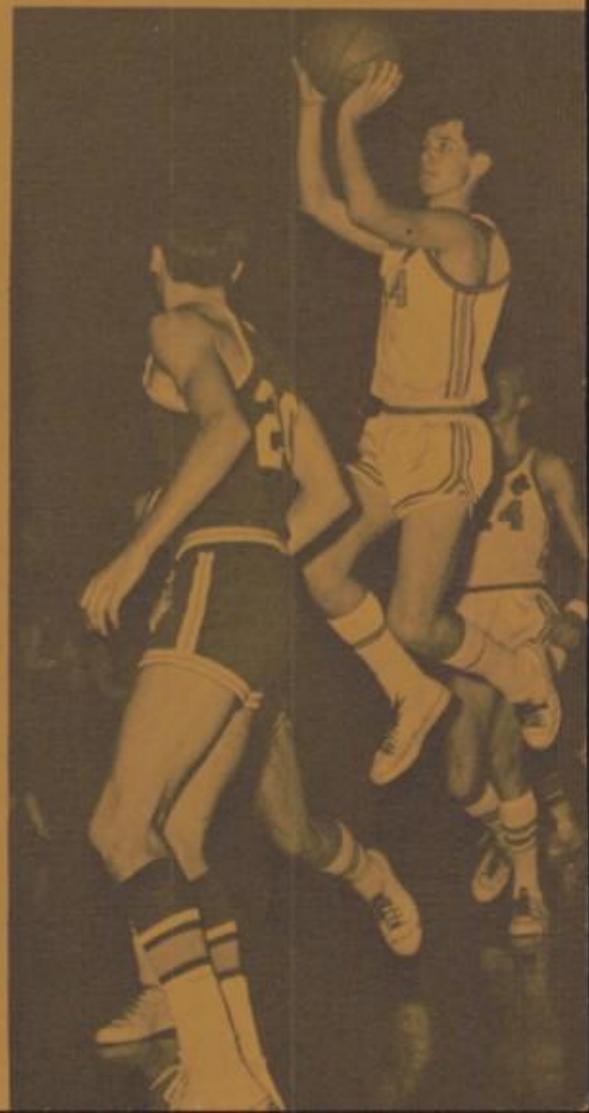

Just "goofing off" was a compulsory course at T.R. practiced sparingly (?) by most students. Dancing, "going over the wall", a pie in the eye, and a senior snowball fight were prime examples of "goofing off".

The spirit of competition was kept alive and well by the Warrior athletes. Practicing, going to pep rallies and traveling to games, the Warrior men devoted their time to the honor of their school.

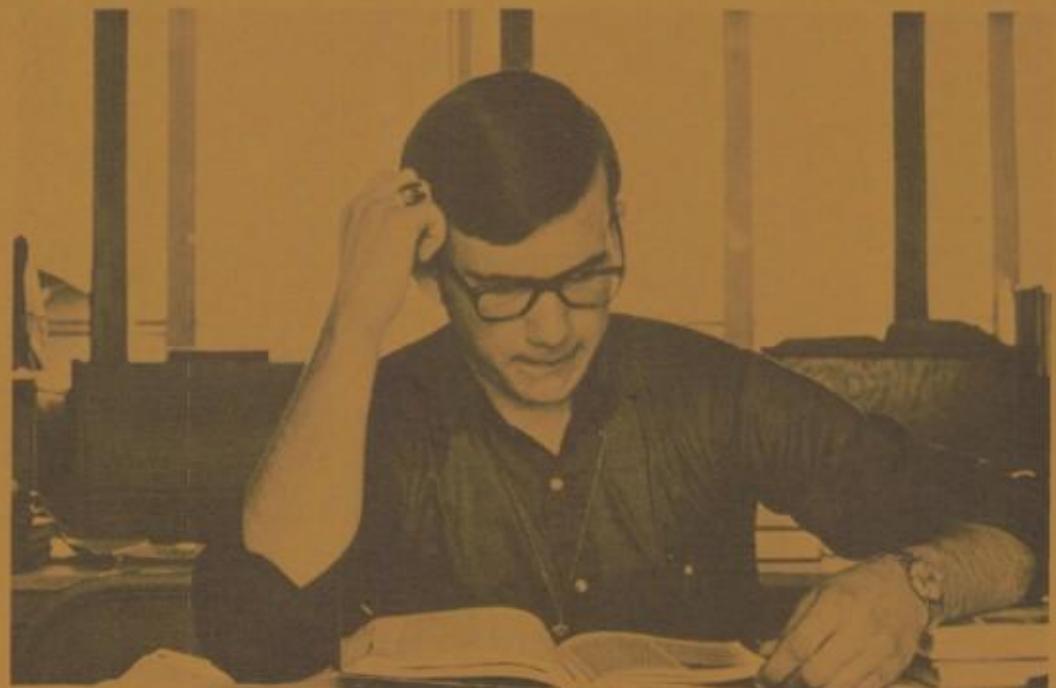

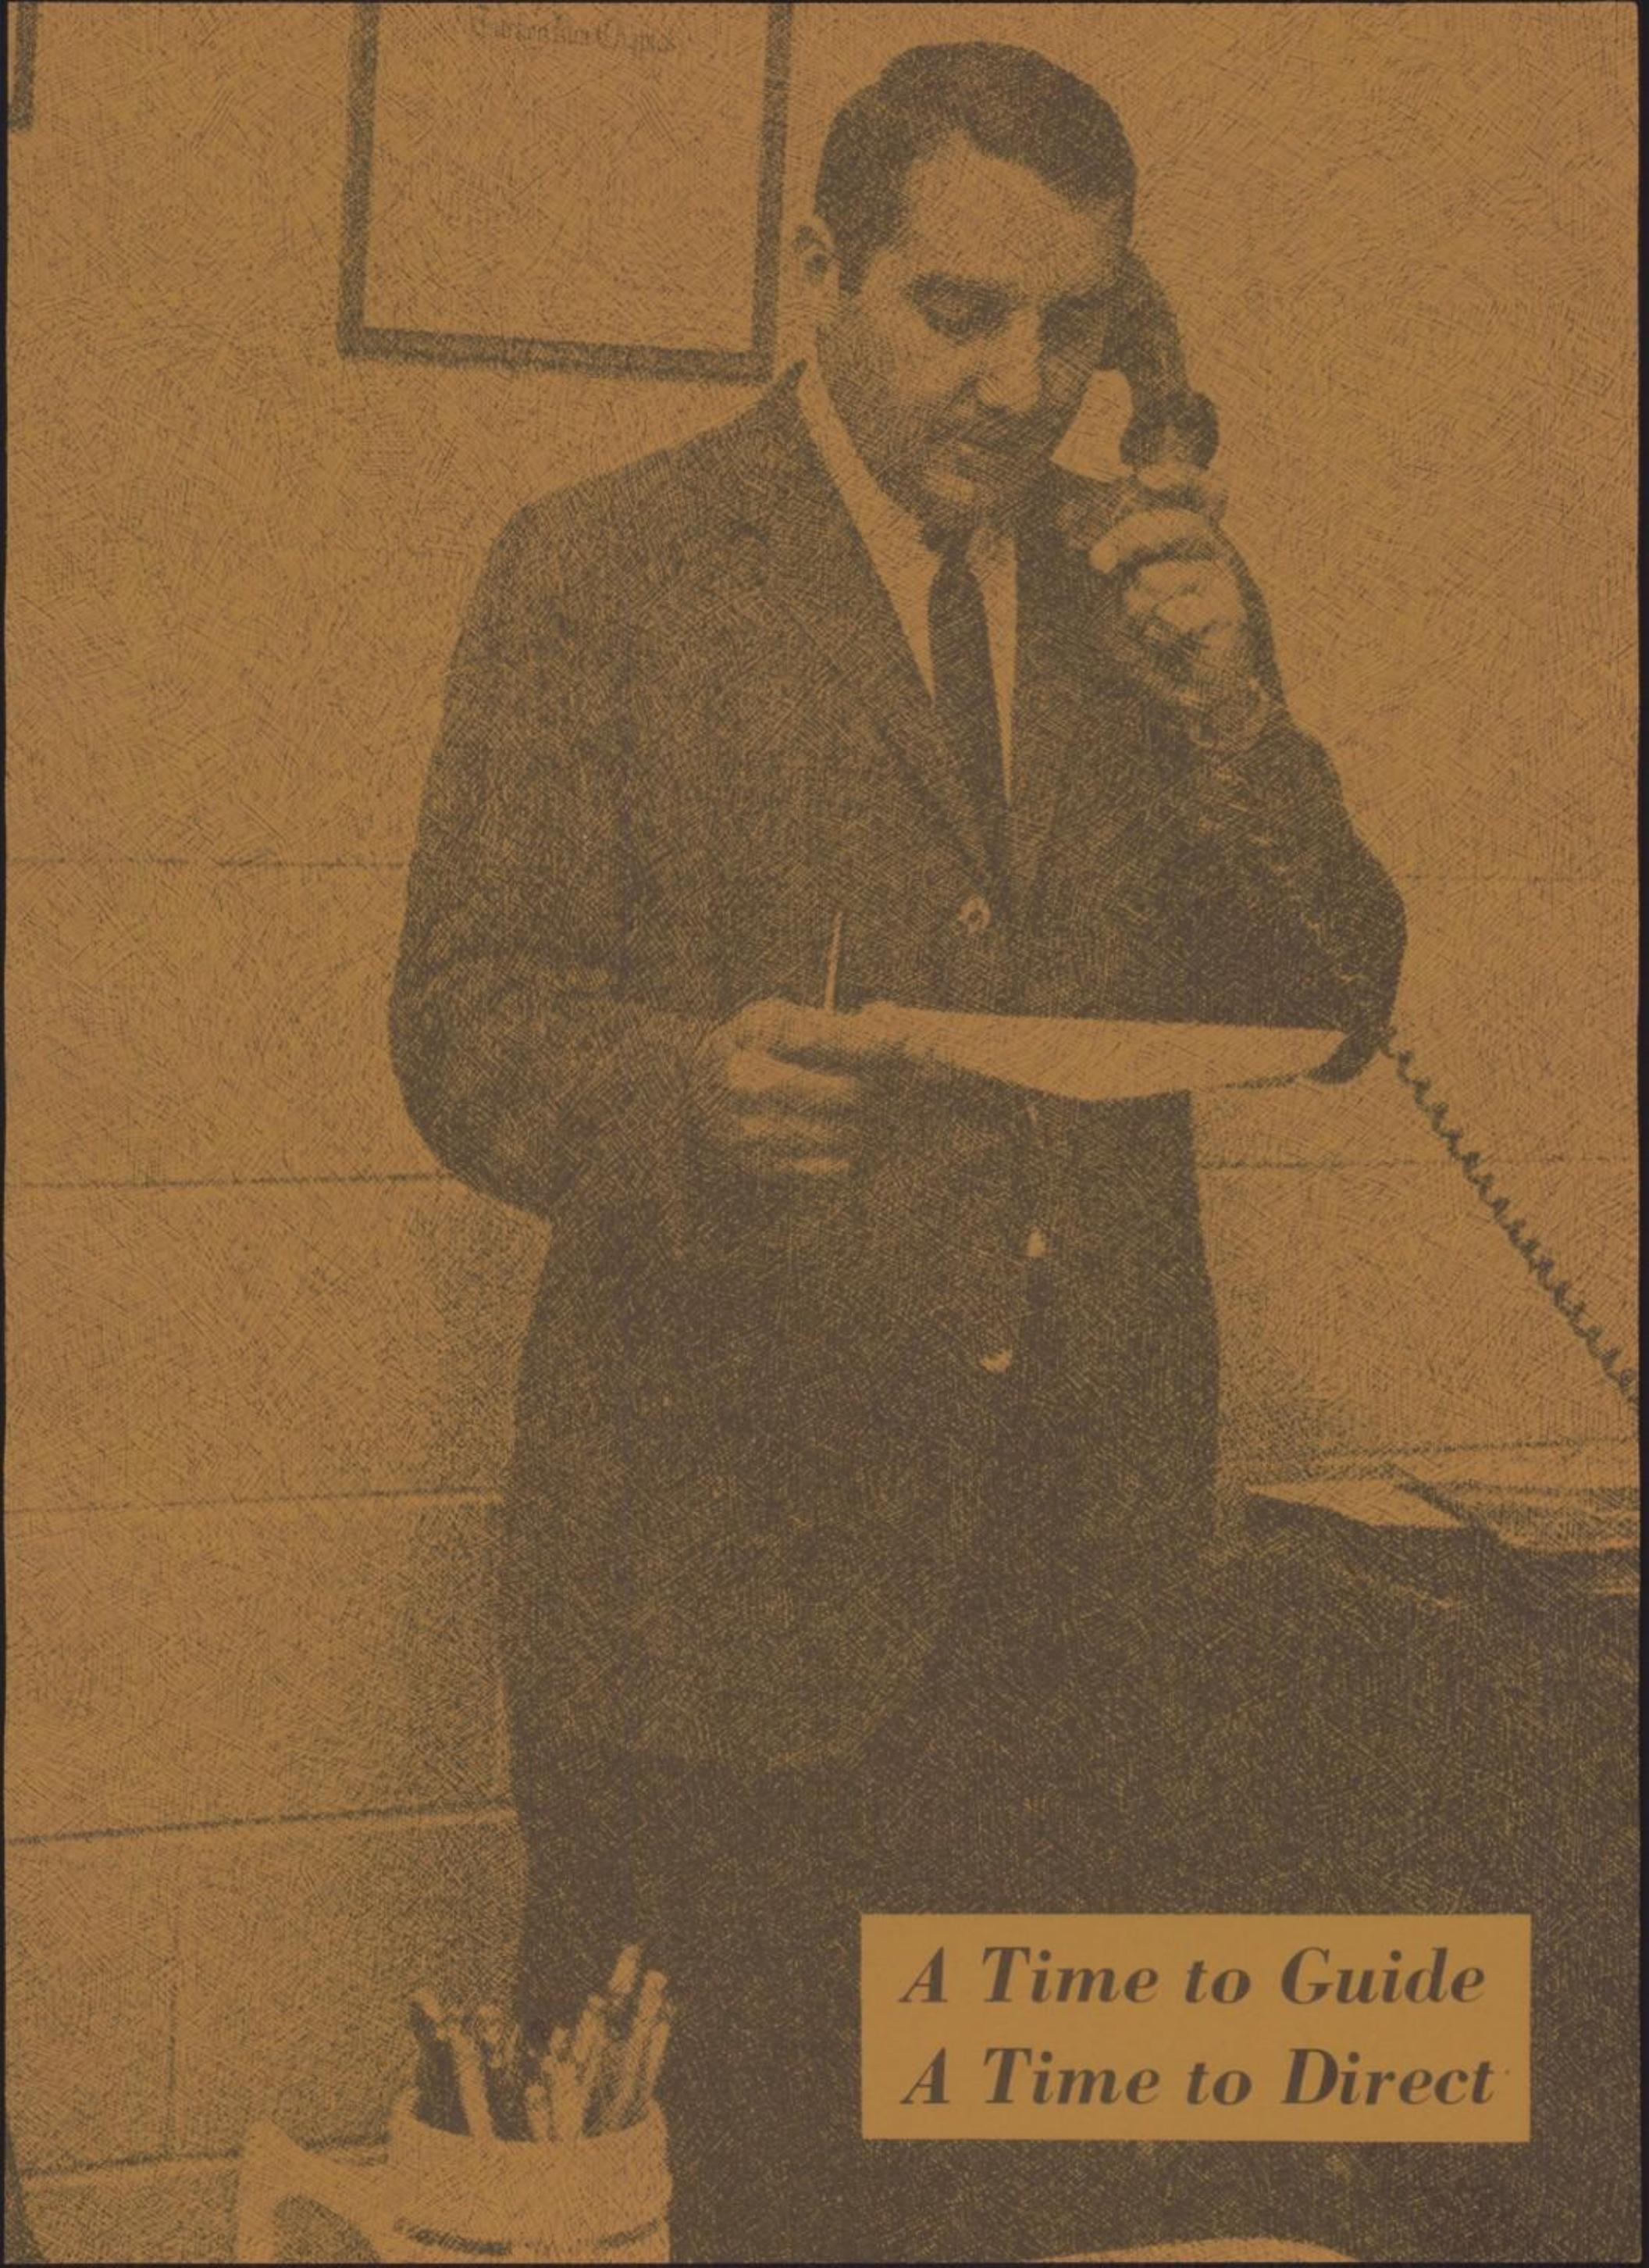

All study and no socializing makes a shallow person—and the students and teachers of T.R. spent time and effort to prevent any symptoms of shallowness through extra-curricular activities.

Knowledge is absorbed through study. The atmosphere of T.R. always promoted a creative feeling of accomplishment, and students worked to better themselves academically, musically, and vocationally.

Superintendent and Staff

Christened "Super Chief" in the school newspaper, Mr. Dale DePlanty lives up to his name by supervising the affairs of the elementary and senior high schools.

Mrs. Waneita Zachary, coordinator for federal services, is also treasurer for the school corporation.

Rosemary Hutchins is secretary to Super Chief, Superintendent DePlanty. She carries on her "heap big" duties with efficiency and cheerfulness.

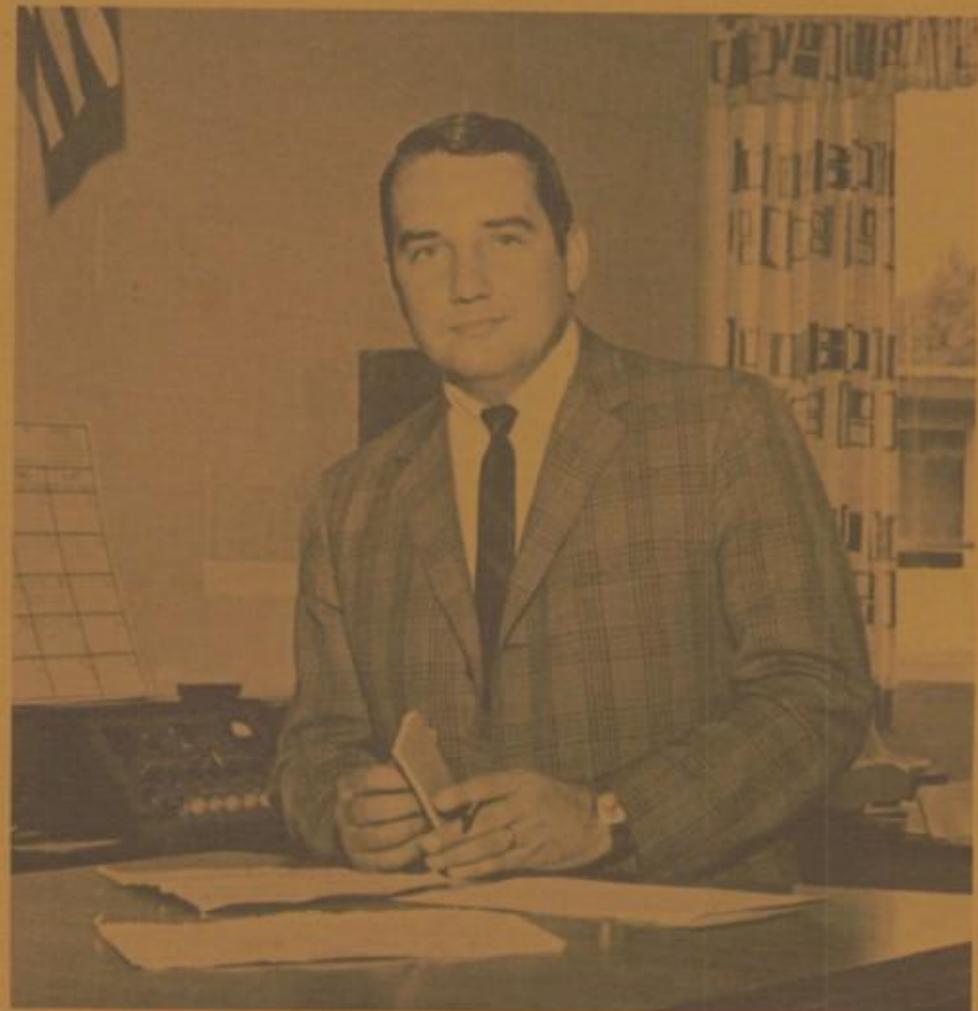

School Board

The School Board members are Norval Chamness, sec.; Robert Chamness, pres.; and Wilbur Engle, vice-pres. Standing: Walter Lindley, Joe Hazlett, Cleland Hanner, Francis Hinshaw, and Henry Pithoud.

Principal

Mrs. Dooley, secretary to Mr. Williams, has the awesome responsibility of keeping an organized day organized.

"Give me your tired, your poor, your flunkies, troublemakers, upset teachers, down-in-the-mouth-students, broken down intercom system, and depressed Presidents of every organization and class." This is the challenge the Principal Larry Williams came, faced and conquered.

School Nurse

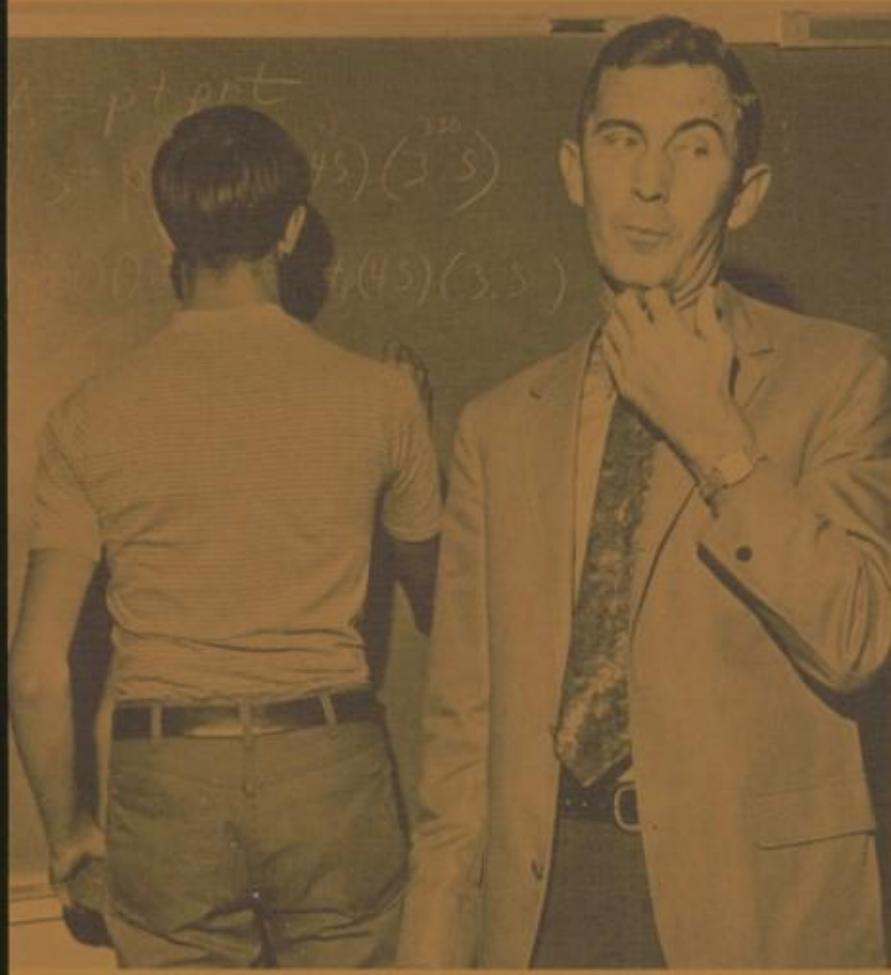

Helen McCampbell, School Nurse, promotes good health habits and aids those students who become ill at school.

Guidance Counselor

Guidance Counselor Cyril Johnson aids students in testing, curriculum, and occupation choice.

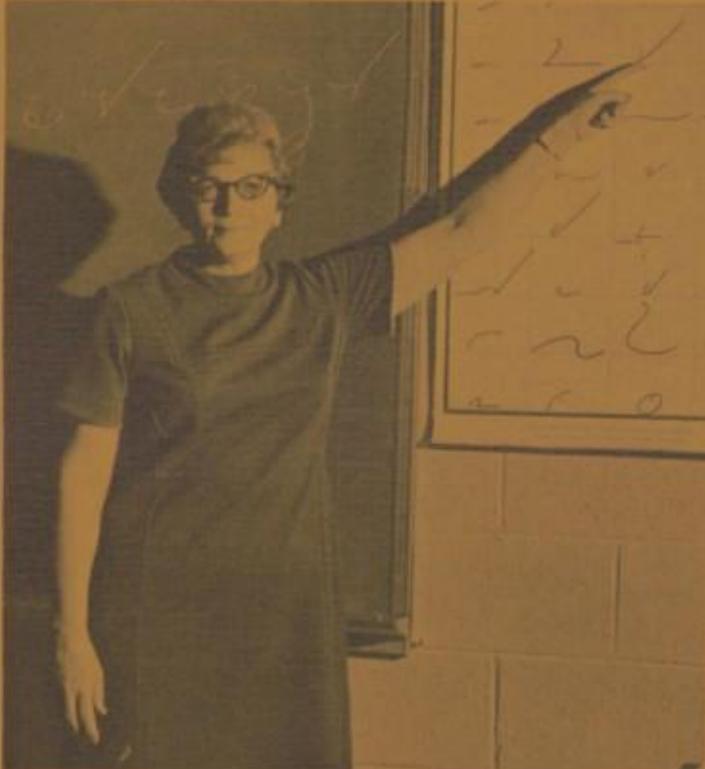

"That doesn't exactly look like a winner, now does it, Pearson," Mr. Maurey says as he gives a wry look. Mr. Maurey also gives his wry looks in Plane Geometry, Trigonometry, Analytic Geometry, Advanced Algebra, and Physics.

Jim Corbin sites the next rock festival on the U.S. map and helps his students discover the planet earth as he teaches 7th & 8th Earth Science and Science 9 and 11.

Faculty

It may look like 007's Secret Code, but Phyllis Rodgers assures us it's just Shorthand. She also teaches Office Practice, Typing II, and General Business.

With a song in his heart and a melody in his soul, Ward Fritzen grooves no matter if it's Bach, Beethoven, or Bacherach. His bag is Band, Choir, and Stage Band.

Mrs. Cheek, one of our new teachers, instructs students in Algebra and 8th Grade Math.

The builders of the future are taught in Mac White's Industrial Art classes.

Jean Grimes teaches the homemakers of the future and the Home Economics department has become the fashion center of TR.

Bringing in overdue book truants and establishing quiet in the library are just a few of the many jobs faced by librarian Kate Collings.

The original green thumb must have belonged to Melvin Clodfelter. He "grows" on his students as he teaches Vocational Agriculture 9,10,11,12 and General Agriculture 8.

With the tap-tapping of the typewriters and the groans of students with unbalanced books, Gene Aimone survived the year 1970 with two important teacher aides: Earplugs and Excedrin. He also survives Business Math, Typing I, and Bookkeeping.

Betty Marie Cook introduces students to the wonderful world of color as she teaches her art classes. She also teaches English 7I.

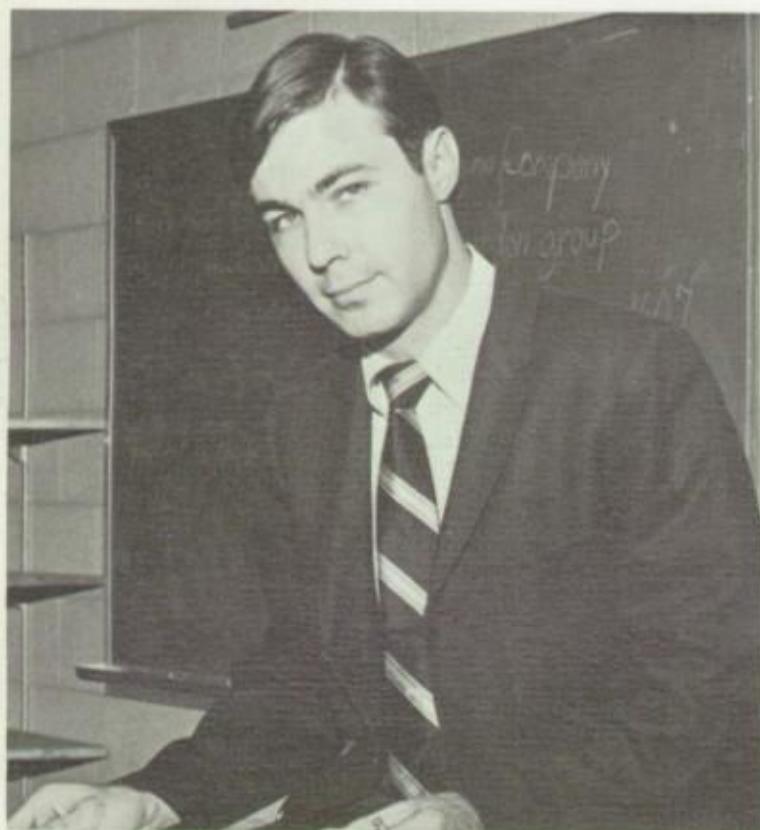

Doris Ellison can take a dangling participle or a subordinate clause and turn it into meaningful language for her 7th and 8th English classes.

Have you ever lived through the "Golden Age of Greece?" Nancy Proctor makes it happen when she teaches World History and Social Studies 8.

A sharp wit and cool manner make Jerry Zanandrea's classes come alive. He "subscribes" to American History and Social Studies 8.

Tom Mullins teaches the 7th and 8th grade science classes and Chemistry students many interesting facts through enjoyable experiments.

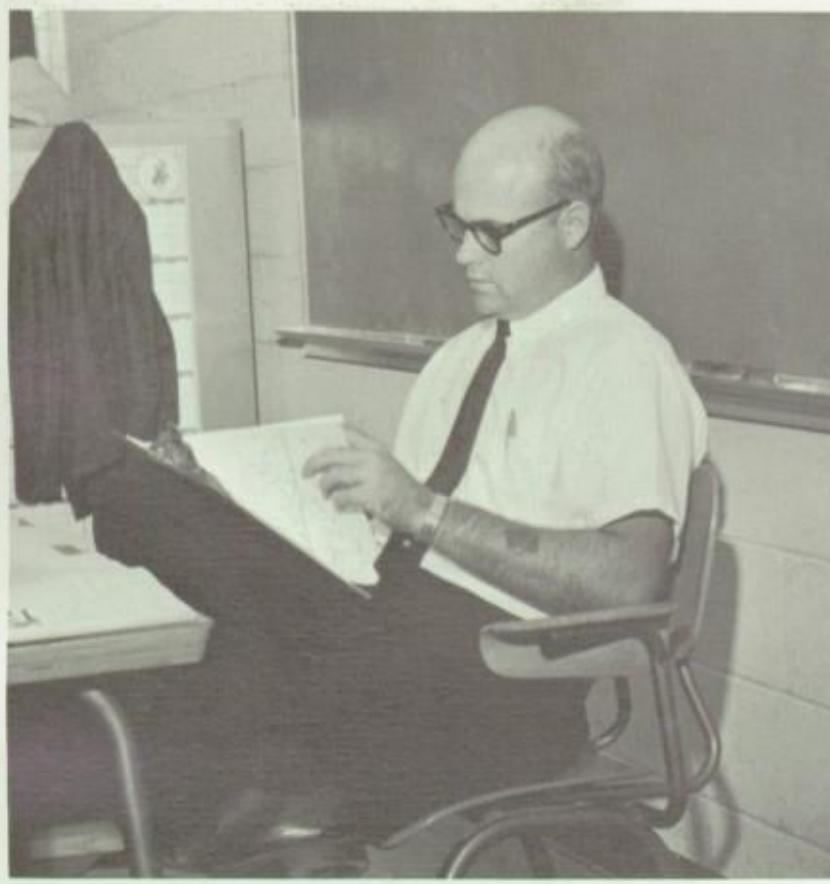

Gary Holobek proudly shows off an American Motors stock, and students in Economics "profited" in more ways than one from this investment. He also teaches Government, Psychology, Sociology, and Social Studies 7.

Mr. Tilford explains to the class the use of coefficient subscripts, which just happens to relate to an incident when he was a kid . . . His duties include instructing Biology, Zoology, and Botany, as well as being Athletic Director.

With a welcome smile for her students, Betty Hale teaches Girls' Physical Education, Home Economics 8, and Family Life.

Homer Veach, you could say, is in the "numbers racket," because he teaches Math 9 and General Math 8,9.

Donna McLeish directs her classes with a firm but helpful hand. With undying energy, she teaches English 10, Senior English, College Composition, Speech, and Journalism.

A big cheery smile and lots of enthusiasm radiate from Chadwanna Jukes as she teaches English 9 and 11.

Gary Katterhenry firmly believes that a clean mind and healthy body make a good citizen, as he teaches P.E. 7,8,9, and health.

Homer Peterson explains to Jan Feuquay and other French II students that Paris really is "the city of excitement." He teaches English 9, French and Spanish.

Personnel

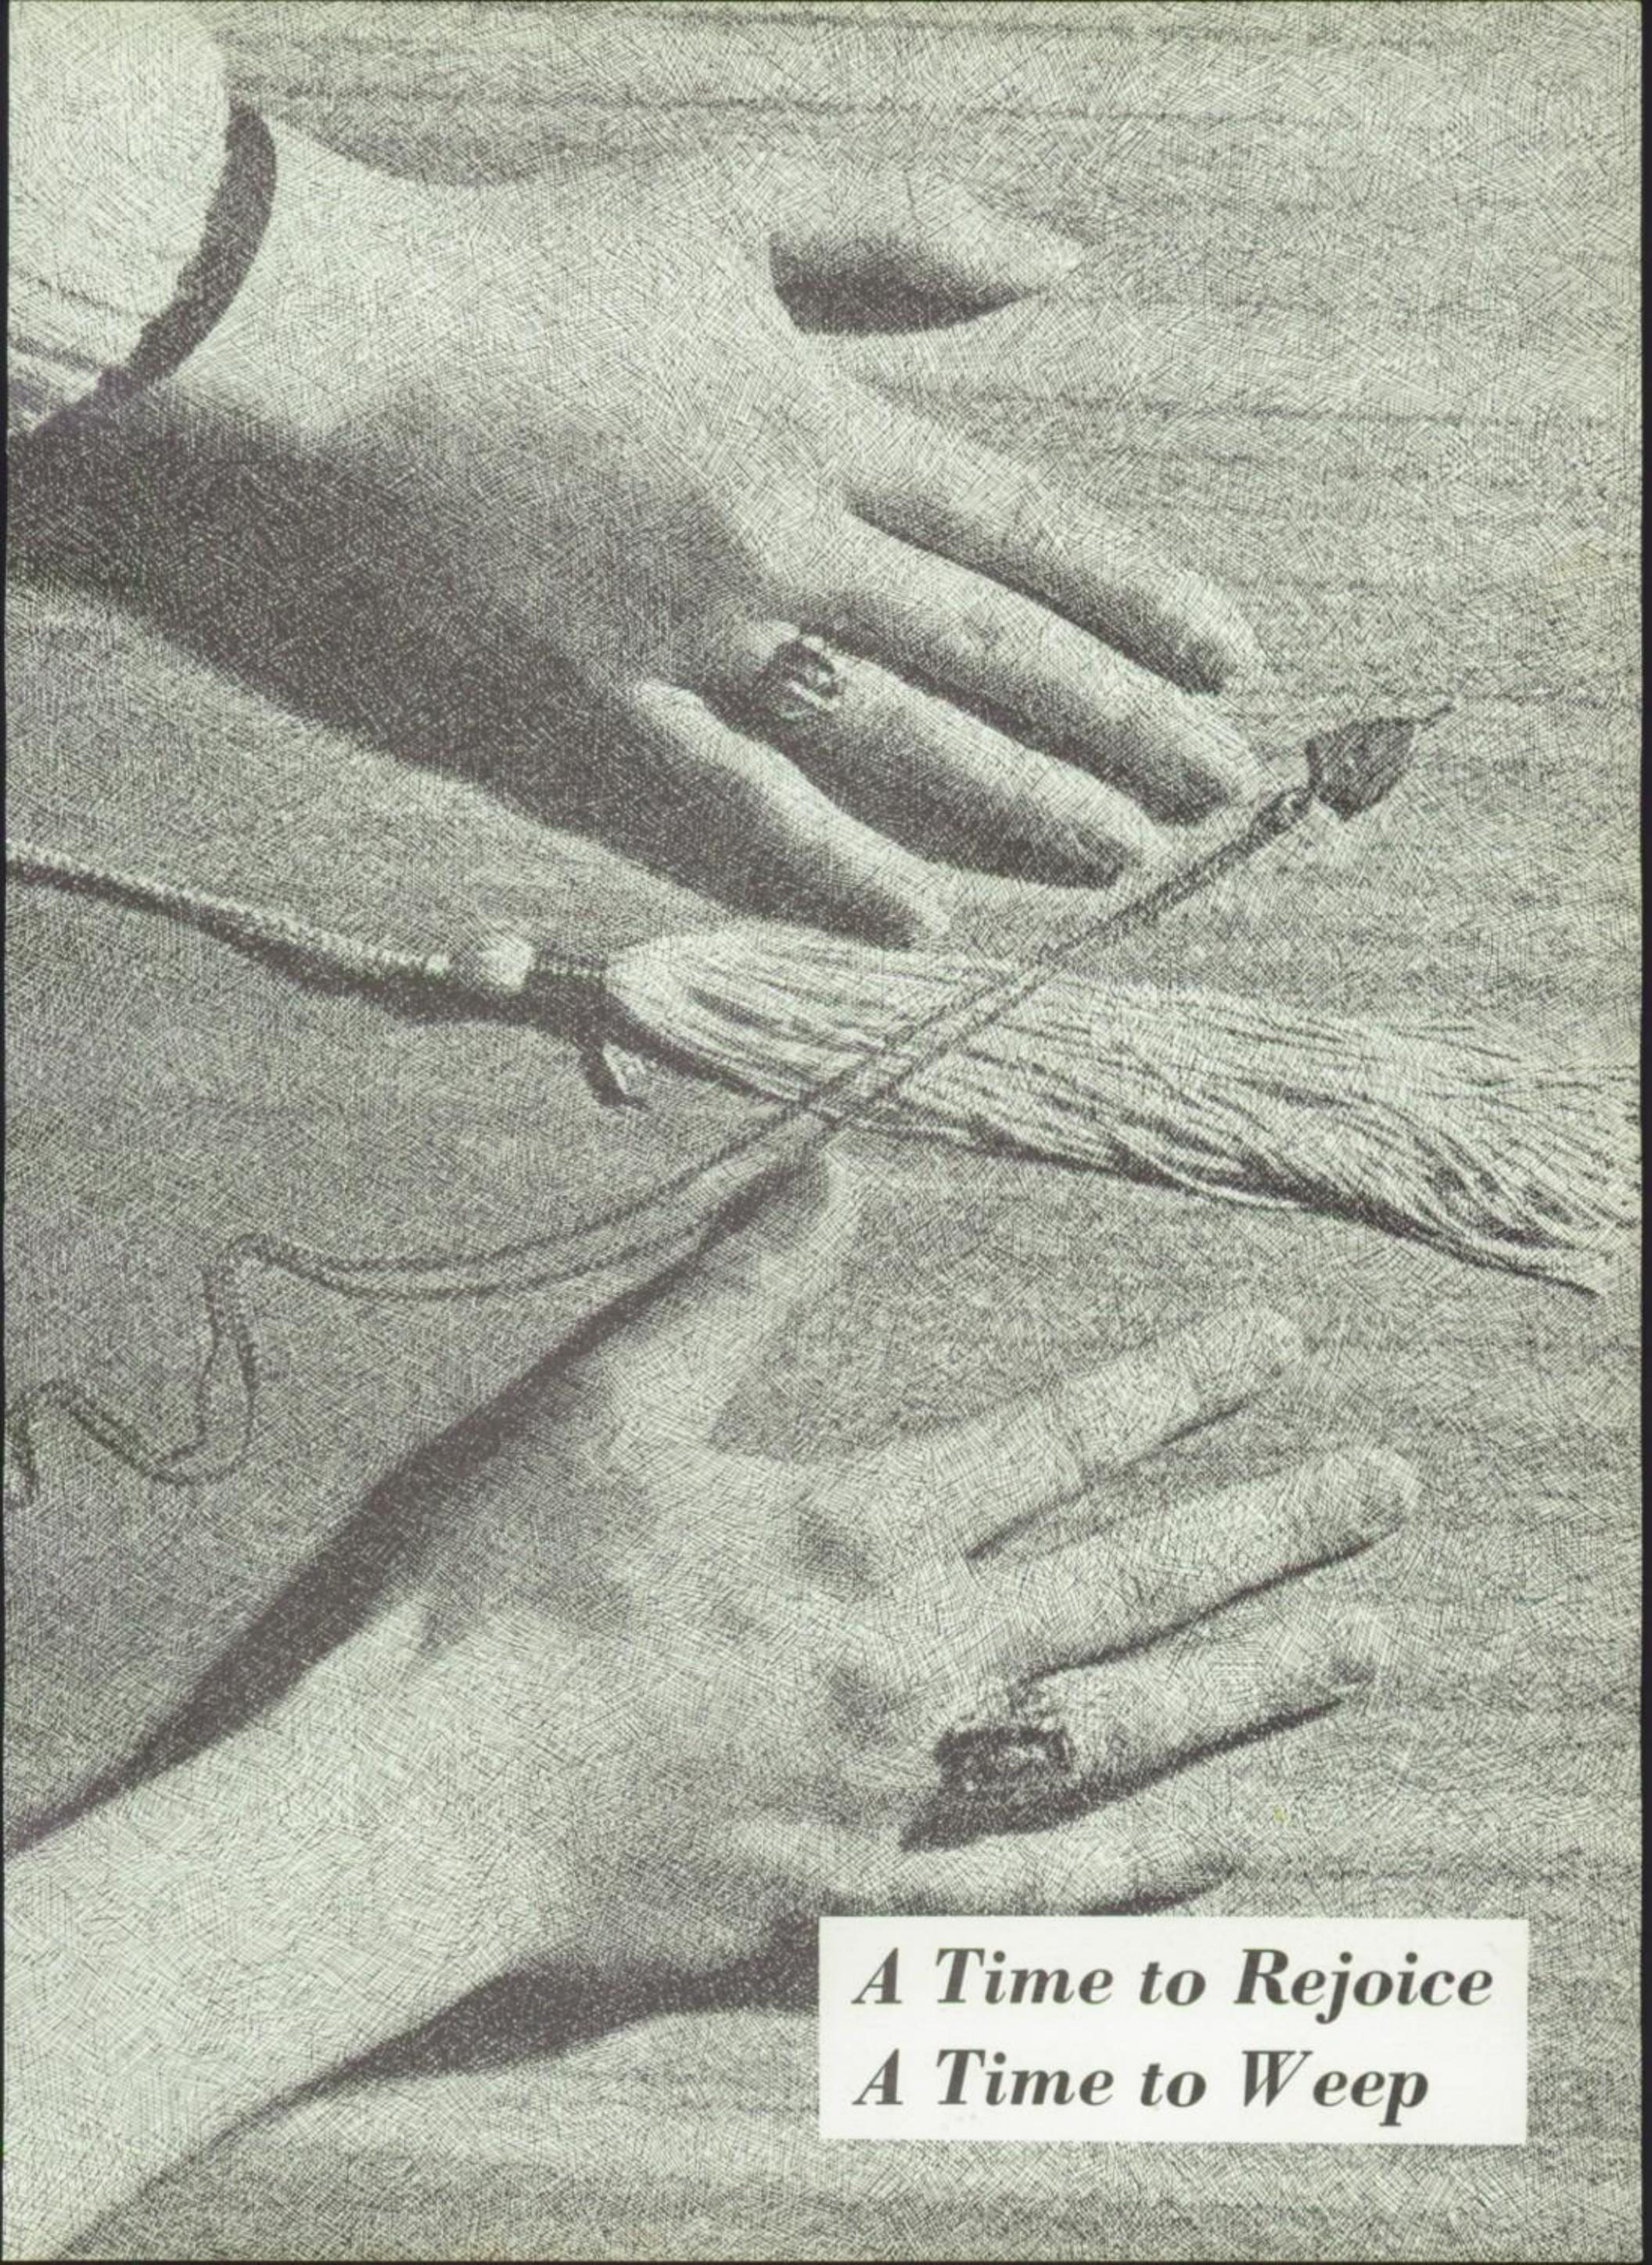

Safety is always the policy of the TR bus drivers: G. Bayless, H. Russell, J. Staggs, E. Crowe, W. Boyle, D. Russell, L. Smith, R. Musson, H. Connerley, M. Williams, C. Kunkle, H. Canfield, W. Russell, B. Jarvis, P. Newnum, E. Barker, and M. Woods.

In avid competition with Mr. Clean, the janitors keep the school healthy and spotless. F. Crowder, G. Newnum, H. Hendricks, and B. Dooley, maintenance supervisor, are friendly to all the students.

"Yummy, Yummy, Yummy, they put food in our tummies." The cooks—Mrs. Cole, Mrs. Moore, Mrs. Harvey, Mrs. Woody—always have a cheerful smile for each student.

Activities Are Varied

Senior Power was seen everywhere you looked as Seniors proudly wore cords and keys. Senior Power was practiced daily as Senior leaders took over the presidency and editorship of eleven high school organizations. We know that although our chance to lead is but a few dashing moments, a bigger challenge is waiting for us outside the doors of TR.

A Time to Do

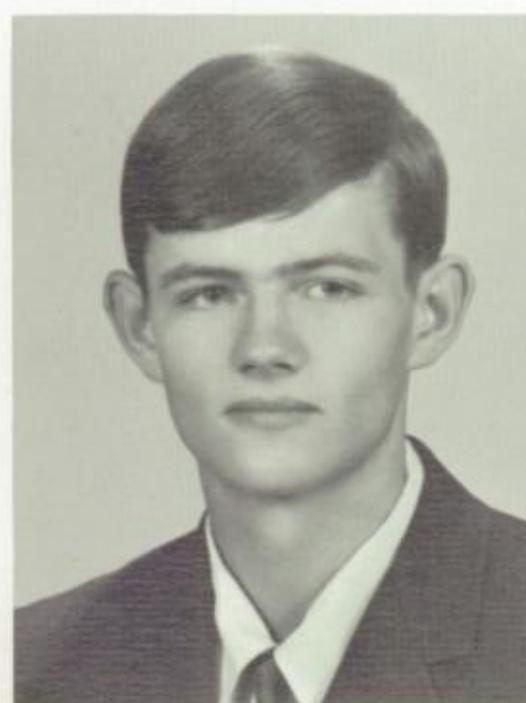

The Senior men and women did their own thing all through the great '69-'70 year. Seniors proved their leadership and responsibility on Senior Day, when Seniors took over the complete operation of the school. Senior intra-mural men challenged the men faculty members to a basketball game and proved they had another important quality—sportsmanship. And yes, Seniors can even laugh at themselves—for many Seniors were sold at the annual Slave Day. A Senior Homecoming float entry, a Senior football queen, a barbecued chicken party and end of the year parties on Senior Week proved that Seniors could be creative, beautiful, and hungry, respectively.

The most unusual things could be found in the Seniors' lockers. They held cluttered notebooks, books filled with old assignments and confidential notes, various pictures, posters, coats, hats, and sometimes, shoes.

Senior Day

The mighty Seniors of 70 took over Turkey Run High School peacefully and responsibly on March 17. Each Senior had the awesome responsibility of teaching a class, running an office, preparing meals, or cleaning windows.

A Time for Us

Homecoming

Seniors declared "Face Defeat, Trojans" and decorated a VW to resemble a Warrior face.

With the use of a tympani drum, Juniors stated the theme loud and clear—"Pound 'em."

Jay Leachman smiles victoriously on top of the winning float entitled "Scalp 'em, Warriors," which was submitted by the WARRIOR and WAR CHANT Staffs.

Homecoming Queen, Senior Linda Eggleston, gives a cry of glee as she proceeds to her convertible.

A van covered with red, white, and columbia blue spots indicate the Pep Club really does have "Victory Pox."

Sophomores wanted to "Shoot'em to the Moon" in their rocket.

On Parade

Queen Linda and her court—Seniors Delaine Keedy and Dawn King, and Juniors Sally Ratcliff, Glenda Pugh, and Debbie Eppert—gave Homecoming 70 added sparkle.

A faintly familiar bell was acquired and called the people to the parade on the parade route.

Senior Janet Woody accepts the float trophy for the WARRIOR and WAR CHANT staffs from Student Council president Ron Russell.

FFA entered this "gravely" interesting float.

Atwias Drama Club's entry used a coffin to represent "Come Alive! You're in the Warrior Generation!"

Freshmen made a pun of a pun on the Homecoming theme, "Injun-Newity."

All past grads of TR were greeted at the entrance by a big welcome sign.

Love Makes the World

"Love Makes the World Go Round" for the 1970 Prom Queen, Glenda Pugh, and her King, Monte Jones.

Senior Tam Tudor "rustled up" the class history in a western style.

Good food and good fellowship were the main ingredients of the Prom Banquet.

Go Round

A beautiful globe serves as a theme-setting decoration.

Connie Swaim and Janet Cope read the Senior Wills.

Tongue-in-cheek humor prevailed as Bob Chamness and Monte Jones related the prophecy.

The lounge gave the couples a chance to converse on favorite topics.

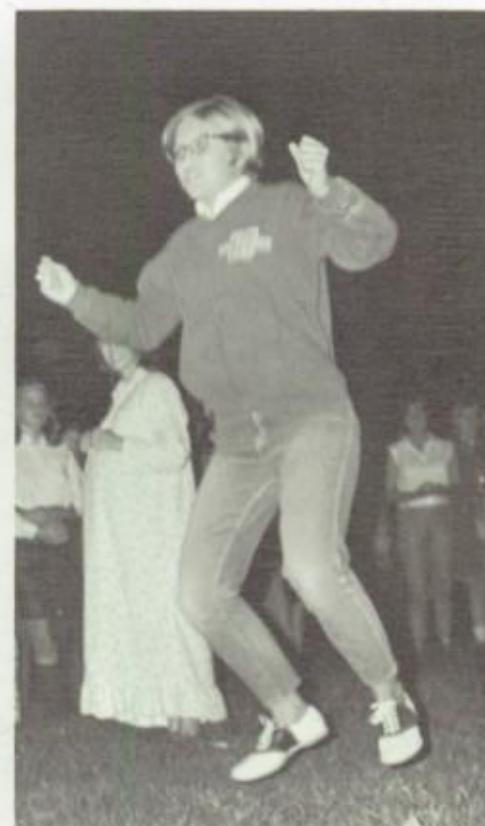

Post Prom

The deep sea and the wilds of outer space were portrayed at the Post Prom. Here inner space men and women could dance, eat, try their skill at game booths, ride a magic carpet and win door prizes. The 1970 Post Prom introduced that attention getter himself—Confetti. Mounds upon mounds of confetti graced the tables and floors and students' hair, shirts, and shoes.

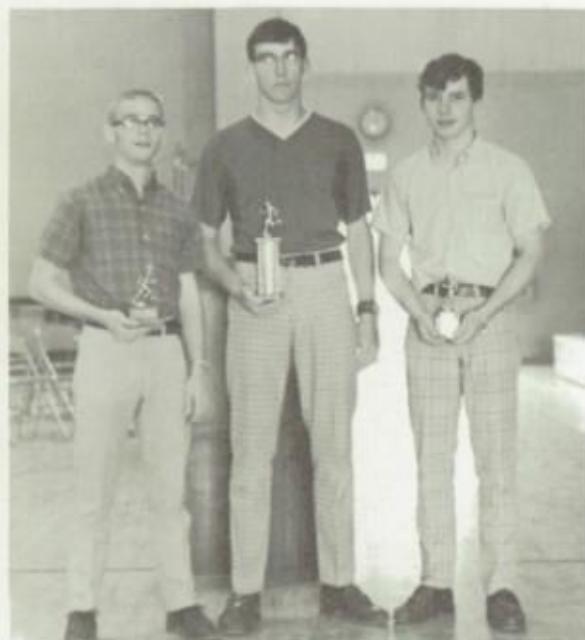

Bonfire

Excitement and laughter, with gala events for all, characterized the Bonfire before the annual Covered Bridge game with Rockville. Events of the evening included a tricycle race, won by the Sophomores, a tug-of-war, won by the Seniors, and a spirited cheering session. Students closely circled around the fire symbolized the unifying force which propelled the Warriors to victory.

The coveted Warrior Spirit Medal went to a joyously tearful Cathy Wrightsman.

For their track abilities, John Asbury won the Team Award for Mental Attitude, Denny Blacketer won the High Point Trophy and Don Wittenmyer won a trophy for Junior High Track.

Great

Dear Dorita,
To a cute, sweet,
and real favorable fee.
We truly hope our next
two years will be as great as
the last two. May we never
forget our P.E. class, and D.F.
course. You were rarely brave
to rise without your vestments.
May you always be friends with
W.F. and remember how much
he taught you.
I love ya always
